

REPORT ON JSTAT_026P_1117

DATE: FEBRUARY 22, 2018

AUTHOR(S): P. V. SRILUCKSHMY AND IPSITA MANDAL

TITLE: Critical scaling of the mutual information in two-dimensional disordered

RECEIVED: 2017-11-13 16:16:45.0

Please, consider to take into account the referee's suggestion.

Referee report

The response to referees is adequate, and so is the resubmitted manuscript.

Re Response to comment 1: I suggest they add their response (shortened maybe) just after the mentioning of references 11-19. It is informative
